

Child Term Program Regular Courses

Visual Arts Courses

Children learn creative skills while exploring a variety of mediums. All materials and equipment included.

Little Creatives (6 – 8 yrs)

This fun class encourages creativity and imaginative thinking, whilst building upon fine motor skills. Little creatives will develop observational skills while they explore various art methods such as drawing, painting, collage and printmaking.

Art for Kids (6 - 12yrs)

Children can let their imaginations run wild while exploring the art of drawing, painting and collage. Materials and equipment included. BYO – Apron and closed toe shoes.

Toon Time (8 - 12 yrs)

Learn techniques for drawing your own cartoons. Focus on facial expressions and body language, character and story world design, comic page layout, pencilling, ink and colouring. Start your journey as a comic illustrator now! Materials and equipment included.

Creative Art Skills for Junior Artists (9 yrs+)

Develop observational techniques and refine drawing skills while also exploring various art methods such as drawing, painting, collage and printmaking.

Art Skills for Serious Young Artists (9 yrs+)

Develop observational techniques and refine drawing skills while also exploring various art methods such as drawing, painting, collage and printmaking.

Comic Art - Graphic Illustration (12 yrs+)

Develop your skills in illustration. Creating character designs and comics. Students will be encouraged to develop creative thinking and their own visual style. Materials and equipment included.

Ceramics Courses

Children will have fun learning a new skill while expanding their creativity.

After School Pottery (6 - 12 yrs)

Spend an enjoyable afternoon each week in our clay studio creating ceramic masterpieces. Learn basic hand building techniques including shaping, squeezing, pushing, pulling, rolling and pinching to express your creativity with your hands. Clay and equipment included. BYO – Apron and closed toe shoes.

Fun With Clay (6 -12 YRS)

Develop your creative skills and make exciting ceramic art pieces on Saturday mornings. Learn basic hand building techniques including shaping, squeezing, pushing, pulling, rolling and pinching to express your creativity with your hands. Clay and equipment included. BYO – Apron and closed toe shoes.

Clay Wheel Work (9 yrs+)

In this fun and creative class, you will build on your knowledge of wheel techniques and further develop your throwing, decorating and glazing skills. Clay and equipment included. BYO - towel, apron and closed toe shoes.

Saturday Youth Pottery (12 YRS+)

This class is designed for students 12 years and older, who want to develop their creative skills further and create a strong folio for their future artist practice. Learn basic hand-building techniques including shaping, squeezing, pushing, pulling, rolling and pinching to express your creativity with your hands. Clay and equipment included. BYO – Apron and closed-toe shoes.
